<b>DD-8+</b>  	<b>Network Amplifier</b> <ul style="list-style-type: none"> <li>• Multi-patented DriveCore amplifier technology</li> <li>• 8 channels each with 125W into 8Ω, all channels driven</li> <li>• Matrix routing - assigns any or all input sources to any or all outputs</li> <li>• 10 analog (5 stereo) and 4 stereo digital inputs</li> <li>• 24-bit/192kHz high-resolution audiophile DAC</li> <li>• Built-in DSP accessible via Ethernet-connected computer</li> <li>• Independent channel output level, bass, treble, variable HP and LP filters</li> <li>• Output limiter and time delay control</li> <li>• Signal sensing channel inputs &amp; 5-15V trigger control</li> <li>• Compatible with IP control/automation systems by Crestron, AMX, Control 4, and more</li> <li>• 10-band parametric equalizer with pink noise generator</li> <li>• HARMAN GreenEdge™ energy compliance</li> <li>• Weight: 9.2 lbs (4.2kg)</li> <li>• Dimensions (including feet and speaker outputs): 17.3"W x 14.9"D x 2.1"H (439 x 378 x 53mm)</li> </ul>	LEXDD8PLAM  LEXDD8PLEU	VND 69,600,000.00/ea

## Terms and Conditions of Sale

**Receipt of Shipment** – Upon delivery of merchandise by LUX-A, to carrier, the merchandise becomes the property of the consignee. Claims for shortage or damages must be submitted to carrier within ten (10) days after receipt of shipment. It is the dealer's responsibility to inspect the merchandise upon receipt for any possible external damage. If the merchandise is received in damaged condition, the delivering carrier should be notified in writing (Bill of Lading (BOL) should be signed "damaged" or "refused") at the delivery point.

**Returns** – Effective March 1, 2009, all defective products will be authorized to be returned for credit only, unless otherwise stated. All product returns require advance authorization. Units returned without an authorization number will be refused. Credits for returned merchandise will be issued based upon Dealer purchased cost. All credits issued for returned merchandise found not to be defective will be assessed a 15% restocking charge, which will be deducted from credit issued. All credits for returns of incomplete systems will be based on the value of the component(s) that is/are returned. Merchandise authorized for return must be shipped prepaid freight. All authorized returns should be shipped in the original factory carton. Merchandise being returned must have the following information listed on the carton: Return Authorization (RA) #, Model #, Serial # and the number of units packed within the carton.

**ALL PRICES, SPECIFICATIONS, APPEARANCE, and TERMS AND CONDITIONS OF SALE ARE SUBJECT TO CHANGE WITHOUT NOTICE.**

**PRICES EFFECTIVE April 1, 2019**
